

- **AUSTINOX**
- **MIG 307 Si**
- (EN ISO 14343-A G 18-8 Mn)

1 – Unique identification code of the product-type

- Brand **AUSTINOX MIG 307 Si**
- + batch/heat Nr on the label

2 – Type, batch or serial number allowing the identification of the construction product

- Filler metal used in metallic structures or in composite metal and concrete structures

3 – Intended use of the construction product in accordance with the applicable harmonized technical specification

- **Austinox SADEV Group**
2 allée des Faisans
74600 SEYNOD
France

4 – Name, registered trade name and contact address of the manufacturer

- **Non applicable**

5 – Authorized representative

- **System 2+**

6 – System of assessment and verification of constancy of performance of the construction product

- **Non applicable**

8 – Product for which an European Technical assessment has been issued

- Notified factory production control certification body number 0035 – TÜV Industrie Service has performed the initial inspection of the manufacturing plant and of the factory production control, the continuous surveillance, assessment and evaluation of factory production control and issued the certificate of conformity of the factory production control Nr 0035-CPR-C922
- TÜV Rheinland Industrie Service Systems GmbH, Am Grauen Stein, D-511-05 Köln

7 – Product covered by a harmonized standard

Essential characteristics (EN 13479: 2004, annexe ZA)

Tolerances on dimensions
Elongation
Tensile strength (Rm)
Yield strength (Rp0.2)
Impact strength
Chemical composition
Durability
Dangerous substances
Emission of radioactivity
